Ref.No: AMETU/FBA/EEEM/Employers/1/2021-2022

Ref.No: AMETU/FBA/EEEM/Employers/1/2021-2022

**Summary:**

Communication skills has to be improved. Technical, Design skill and Interpersonal Skills up to the mark. Most of the students are good in analytical skills (Decision making problem). Learning Skills (Continuous learning) are good.

**Findings:**

Simulation based labs need to improve

Industrial automation based value added courses need to be conducted

Latest software based courses need to be included

**Action Plan:**

Requested the Board of studies to consider the requirement of the employee and to incorporate the same during revision of curriculum and syllabus

Ref.No: AMETU/BOS/EEEM/Employers/1/2021-2022

**Action taken:**

The Board of studies considered the above request in its meeting (Ref.No: AMETU/BOS/EEE/1/2021-2022 Dated 18.02.2019) & made necessary changes in the curriculum and syllabus. The value added courses like On-Board Ship Automation and Product Development and Basic Robotics using MCU recommended by the board. The board's recommendation has been approved by the Academic Council (Ref.No:AMETU/AC/1/2021-2022) Dated 05.03.2019).
