**AMET DEEMED TO BE UNIVERSITY ACCREDITED WITH A GRADE BY THE  
NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)**

Dear Stakeholders,

AMET, a pioneer and trendsetter in Maritime Education since 1993, has been accredited with **A Grade** by the National Assessment and Accreditation Council (NAAC, Bengaluru). A Peer Team comprising of Seven Academicians of high repute under the Chairmanship of Prof Ashok De (Director, National Institute of Technology, Patna) has assessed various quality attributes of the University during 6-8, September 2021. Based on the Assessment Report submitted by this team, the NAAC has accredited AMET with A Grade which is valid for the next five years. This enables the University to expand its various activities including open, distance, and online education. AMET is the only higher education in India in the category of Maritime Education to get this top grade of Accreditation from NAAC.

Besides, the University has been ranked as Third among world maritime Universities in the PIMET ranking by the International Association of Maritime Universities (IAMU) for the past three consecutive years. In addition, AMET has also secured A1 Outstanding Grade by the Directorate General of Shipping, Government of India for the past five consecutive terms.

On behalf of our Chancellor, Dr Naesey J Ramachandran, I congratulate and appreciate all the stakeholders (students, alumni, parents, industry partners, Professors, and employees of the University) for this outstanding achievement. Let us grow together. Thanking you.

With regards

Col.Dr.G.Thiruvassagam
