

Qualitative Provision - Feedback mechanism

Academy of Maritime Education and Training (AMET) Deemed to be University has formulated a mechanism to get the feedback from the students who are admitted in the ODL/Online Programmes with regard to all the aspects of their learning. The students can raise a ticket through the LMS portal and give feedback about various aspects of their learning process and also resolve their grievances. The screenshot of the students' LMS is given below:

Moreover, the students can give feedback about their learning experience through google form as well. The screenshot of the same is given below:
